URBAN TAXIS

If you need to use a taxi, try to share a ride with others to reduce the cost. In order to summon a taxi you have to call one of the taxi companies. The taxi will come and pick you up from where you are. Alternatively, you can call Mr. Pambos at 99998080.

Apart from calling a taxi, there is a taxi queue at Eleftheria Square (City Centre) where you can find taxis around the clock. Taxi fares are regulated by law and taxi drivers are obliged to use a taximeter and provide you with a receipt on request. Bear in mind that prices are slightly increased during evening hours.
